Bridal & Fashion Hairstyling

Intensive Program

The course provides a strong foundation in creating hairstyles for WEDDINGS & FASHION. It focuses on techniques which serve as the building blocks for many looks, limited only by the imagination. Beyond the techniques, the student will learn how to create the most suitable design for the client considering her physical build, face and eye shapes, hair texture, fashion sense, and any other peculiarities.

Specifically, the course will cover:

1. Elements of good design
2. Client consultation
3. Hair preparation
4. Tools
5. Products
6. Sectioning
7. Blowdrying
8. Various ways of creating and different types of curls
9. Teasing
10. Creating a secure ponytail
11. Braids
12. Buns
13. Twists
14. Tucks
15. A total of at least 15 hairstyles (depending on the speed of the student) will be learned by the student.
This will serve as a basis for creating an almost infinite number of variations, be it modern or classic.

Methods of Instruction:

Demonstration by instructors, intense daily exercises, practice on live models and dollhead, video presentations, and actual photoshoot on live models.

Photoshoot:

On the last day of class, a photoshoot using live models will be conducted to apply what the student has learned so far. She is given a softcopy of her work to jumpstart her portfolio. The cost of photoshoot is already included in the tuition.

Price and Payment:

Tuition is P16,000 inclusive of live model and photoshoot. Tools and equipment are not included.

To reserve a space, a P5,000 non-refundable reservation fee is required. The balance is payable at the beginning of the first day of class.

Instructors:

The class will be tandem taught by Jeave Gabiana and Christephanie Chua-Sing, graduates of Vidal Sassoon Academy in Los Angeles, Cinema Makeup School in Hollywood, and LCE School of Art and Design in Singapore.

Certificate:

A Certificate will be awarded to those who have successfully completed the course.
